BOARD PRESIDENT'S Message #8

June 1, 2023

1. End of Spring Semester Activities. This past spring was an extremely active one for the company and alumni association. Pictures say a thousand words, and I invite your attention to our ever expanding photo gallery on the website. The annual military ball was the site for the induction of Honorary P/R Tanya Tersillo. At Pullen Park, two \$1,000 scholarships were presented by Sean Congleton, member of the Congleton-Etheridge Memorial Scholarship Committee. At the bell tower, a presentation of our first Good Citizenship Award for Community Service was received by the recipient, former Vice Chancellor Thomas Stafford. A Gold Star Family ceremony was conducted for Mary Ann Congleton-Lewis. And finally at the bell tower, the commissioning ceremony. For the Photo Gallery Quick Link, tap here. <https://www.l4aa.org/photo-gallery>

2. L-4 Scholarship Recipients:

- L-4 P/R and Army ROTC Cadet Caleb Stengel is president of the Hike More, Worry Less Club. He promotes outdoor exercise with his mind, body, and soul. He assists as a peer leader in the Poole College of Management, and leads guided tours of the campus. In addition to P/Rs, he serves on the primary staff of the 4th Regiment.
- L-4 P/R and Army ROTC Cadet Lauren Lindbergh is an open-minded and passionate woman. Lauren promotes cultural inclusion and diversity. She's a dean's list student majoring in the Fisheries and Wildlife Program, and volunteers as a dormitory resident assistant. Lauren enjoys playing rugby and understands how leading from the front sets the pace on the field.

3. Fall Fundraising Project. At the previous EXCOM meeting, the board of directors agreed in principle to support a fall fundraising activity. With that said, I invite you to submit to me your recipes for the first ever L-4AA cookbook. No ordinary cookbook, recipes will be categorized with snippets of company and association history intertwined throughout. A photo gallery is under consideration.

If you have a special recipe or recipes to share, let me know by emailing me at pershingrifles.l4.ncstate@gmail.com. Formatting recipes is important, and the recipe deadline is the end of this month. Editing begins in July. This will be a collector's item. You don't want to miss out on your opportunity to participate in the project!

4. Membership. Corps of Engineers 2nd Lieutenant Michael Salgado graduated recently and has become the newest member of our alumni association. Michael was the last of the original eight P/Rs that rechartered the company in 2020. He was L-4's immediate past company commander. Let's welcome Lieutenant Salgado into our increasing ranks of new and young alumni.
