BOARD PRESIDENT'S Message #10

August 1, 2023

The summer is quickly passing with football season on the horizon. Now's the time to organize for those tailgating opportunities at Carter-Finley Stadium! Members of the association want to support these great outdoor activities with the active P/Rs at L-4. For more details, contact 2nd Lieutenant Te-shawn Lee, Director of Engagement or VP Charlie Leverett, Director of Operations.

Quick links are a direct hookup to certain pages within our great website. I invite you to check these out.

3. <https://www.l4aa.org/membersonly> (Password protected)

Reading the approved minutes may seem boring, however, if you really want to learn about the association's business, the minutes can speak volumes on where we've been and where we're headed. We're proud to showcase the minutes, however, accessing them will require the password. It's for your protection that they are secured. If you've misplaced the password, contact any director for assistance.

Our fall fundraising project is well along its way to production. **Tidbits** covers 70 years of Pershing Rifles at NC State University (1953-2023). This one-of-a-kind cook/history book is expected to be available for sale in print form by September. A copy of **Tidbits** will make the perfect Christmas gift. All purchases of **Tidbits** go to the Congleton-Etheridge Memorial Scholarship Fund.

As you peer into 2024, please note on your calendar the dates of the next national convention. The Crowne Plaza in downtown Knoxville, Tennessee is the site, and beginning March 13th, room rates are fixed at \$125 + taxes per day. Financial members are encouraged to attend.

Fraternally,

Joe
