FOURTH FRIDAY BULLETIN

August 26, 2022

The importance of our social roster can not be overstated. Your contact information is the weld that holds us together. Annual dues collection is based upon mailing an annual notice to each member's street address. The dues support our operations. That's why it's so vital to have accurate contact information. To report a change in your address or telephone, please tap the underlined link above and use the CONTACT tab regarding changes to the social roster.

Our website has a MEMBERS ONLY tab. It's password protected. If you wish access to the social roster and have forgotten the password, please contact us by tapping the underlined link above and use the CONTACT tab.

The next reunion is scheduled for 5 PM Saturday, October 22nd at the Western Boulevard Amedeo's Italian Restaurant. Use the website link for reunion information and registration.

Being able to reach out to one another is healthy for our growing association. I have waited years to say that our membership is finally growing again. As the company produces alumni, our strength in numbers will gradually allow us to expand our presence especially among ROTC cadets/midshipmen, cadre and the entire university community.

In keeping with the wishes of General of the Armies John J. "Blackjack" Pershing, we're pleased to announce that the executive committee has approved the creation of a community service award for good citizenship.

Fraternally,

Joe Harris

Director of Administration
