Subject: 4th Friday Monthly Activity Update

Dear Valued Member,

Last month I reported that L-4 PR Paul Y. Chung had graduated marking him the second graduate since L-4's rechartering in 2020 to become a member of the L-4AA. On September 17th, Mr. Chung was commissioned a US Army Second Lieutenant in the Military Intelligence Corps. Lieutenant Paul Chung will begin his journey in the NC Army National Guard. Congratulations, Paul, on your achievement!

On September 13th, Dr. Charles R. (Chip) Martin, '68, was added to the Heritage List established and maintained by the National Society of Pershing Rifles Alumni Association. Chip Martin is the second member of the L-4AA to be recognized for his work achievements, the first being General H. Hugh Shelton. Categories for this national recognition include Academics, Arts & Entertainment, Industry - Science - Technology and the Professions, Government, National Military Leadership, Hall of Valor and Killed In Action or in the Line of Duty. Congratulations, Chip, on your recognition!

November 20, 2021 is the Wolfpack's home game hosting Syracuse. It's also Military Appreciation Day. We are asking for a response as to whether you (and others) would want to attend. Please indicate yes/no or tentative by the end of this month. A head count will help the Wolf Pack Club determine if we sit together and obtain additional tickets if needed.

The final quarter of the year is the season for giving. The first six members to donate to the Congleton-Etheridge Memorial Scholarship Fund will receive a thumb drive containing L-4's 1776 bicentennial colonial drill celebrations, and newspaper articles referencing L-4 from 1952 to the present. Make your check payable to the Congleton-Etheridge Memorial Scholarship Fund. Mail all gifts to Darlene Williams, 1807 Felts Parkway, Fort Mill, SC 29715.

The Congleton-Etheridge Memorial Scholarship Committee reports that it's in the second phase of testing the application process. Webmaster Judy Ramsey continues to refine the online process. While the application is still in a test stage, a short biography of Roy Congleton and Kent Etheridge is posted under the Scholarship tab. Use the link below the letterhead to access the website.

The Director of Finance, Darlene Williams, says to be on the lookout for your 2022 dues letter next month.

Fraternally,
Joe Harris
Director of Administration
