

# L-4 Alumni Association, Inc

December 28, 2018

Dear Valued Member,

If you have already paid dues for 2019, I thank you and disregard this reminder, otherwise please mail your ten-dollar check to Darlene Williams, Director of Finance. Darlene's address is 1807 Felts Parkway, Fort Mill, SC 29715. Make your check payable to L4AA Inc. Thank you for supporting your local alumni association!

A great place to catch up on association activities is to follow the minutes of each Executive Committee meeting under the Members Only tab from the association's website. In addition, there is a "quick links" tab to other websites, all of which contains relevance to your local association. Here's an example: information about the Pershing Rifles Group national convention, also referred to as the NATCON, is located under a tab from the Pershing Rifles Group website. Pershing Rifles is celebrating its 125th anniversary at Kansas City in March.

Information pertaining to membership in the National Society of Pershing Rifles Alumni Association (NSPRAA) can be located from Pershing Rifles Group website. Simply click or tap on the NSPRAA emblem and go to the Join tab. Then, follow the instructions. Remember, the "quick links" tab from your local association's website is a good navigation tool for acquiring national information.

After four years, the monthly summary will end this month. Beginning in 2019, information pertaining to the association can be accessed from the local association's website. Note the web address - [WWW.L4AA.ORG](http://WWW.L4AA.ORG) (is not case sensitive).

In closing, the monthly summary has been a labor of love. Although the gathering and sharing of information has been a pleasure, the platforms of a facebook page and website are all that's necessary to remain current on local activities.

Fraternally,

*Joe*

Joe Harris  
Director of Administration
