Subject: Monthly Activity Update

Dear Valued Member,

Just over a year ago, the Board of Directors approved Resolution #5 — to consider a suitable memorial for all NC State war casualties since the end of WWI. After many discussions, officials at NC State have decided to pursue this initiative. Recently, Doug Morton, Director of Facilities, met with our board President Larry Hancock to discuss recommendations for just such a memorial. As the initiative unfolds, details will be forthcoming. Our directors are very excited about the initiative.

At the end of this month, our active membership stands at 47, including three life and two honorary memberships. Albeit a small group of PR alumni, since last year when the company was reactivated, 2 graduates this year have joined our alumni association. We are growing slowly. The outlook for additional new alumni is promising in 2022. Our Board of Directors is excited by this development as well.

Our board approved Bylaw Number 6, Congleton-Etheridge Memorial Scholarship Fund, on October 14th. The Scholarship Committee reported that a recipient of the first scholarship will be announced next month. Members of the board are thrilled by the progress made by Chairman Thomas Swanson and his committee. Through his leadership we are able to financially support the needs of our active L-4 PRs, another first for the alumni association.

The Congleton-Etheridge Memorial Scholarship Fund has grown from your generosity this year. There is still time left in this tax year to donate! If you haven't made a contribution to the fund, please consider a gift. Any amount is appreciated. Make your check payable to the Congleton-Etheridge Memorial Scholarship Fund and mail to Darlene Williams, 1807 Felts Parkway, Fort Mill, SC 29715.

In closing and speaking for the Board of Directors, I wish to thank you for your support over the course of the past year. COVID-19 is what it is, and yet, the future is bright with many new developments in the hopper. I encourage you to remain connected with us as we head into 2022. Read about the active PR's progress and your alumni association's efforts to support them. Happy holidays brothers and sisters.

Fraternally,

Joe Harris

Director of Administration
