Dear Pershing Rifles Alumnus,

Much has occurred since the last communication, so I wish to begin by saying Happy New Year. Thanks to your support, our dues are paid for 2014 retaining the unit's member in good standing status. In addition, a security deposit has been retained by the NC State University Club. Our fall reunion is officially on the club's schedule for Saturday, October 11, 2014.

Attached are two documents that you should keep and review.

1. Email and Privacy Policy from Chairman of The Pershing Rifles Group, William "Bill" Wagner, Q-8.
2. The proposed L4AA Constitution and Bylaws I promised would be arriving soon.

With respect to the number 2, the governing documents of our Association, when approved, will lay out the manner in which we can expect to operate from one term to another. A small team has worked on this project since last fall, and it has been vetted by us in rather great detail. The governance is now presented to you for your review. I am your point of contact should you have comments or questions. Our intent is to present the L4AA Constitution and Bylaws in its final version to the members attending and voting on this matter at the fall reunion. The final version will be provided to you not less than sixty days prior to the reunion date.

In closing, I wish to thank all those who have donated to date or provided other financial support. Your generosity is very much appreciated.

Fraternally,

Joe Harris, 1968
