Dear Pershing Rifles Alumnus,

   This monthly summary begins with the previous one's closing sentence, *"Finally, the next reunion is scheduled for Saturday, 11 October 2014 at the NC State University Club in Raleigh, NC. The main dining room is reserved from 6 to 10 PM. Mark your calendar, and begin making your arrangements to attend."* This month I am pleased to inform you that the search efforts of Larry Hancock, '66 and Kent Etheridge, '66 identified the Embassy Suites Hotels (Hilton Worldwide) as the official 2014 reunion site for those members requiring lodging during the reunion weekend. Reservation instructions will be published in a future summary.

   Last month I reported that Art Dumont, '59 was planning to attend the Pershing Rifles National Convention. Art attended as planned and returned home loaded with information on several L-4 initiatives. Much to our surprise, Art brought home a charter issued to the association by The Pershing Rifles Group. The L-4 Alumni Association's charter will be present for all to see at the 2014 reunion.

   I am pleased to report that our draft constitution and bylaws document is prepared for distribution to all members of record. Expect to receive this document sometime over the summer months. Accepting a constitution and bylaws will set the pattern for future operations. This will be a business item at the 2014 reunion.

   We continue to receive updated information, i.e. changes in surface addresses or e-mail addresses, changes in telephone numbers, etc. As a reminder, Kent Etheridge maintains our social roster – a membership directory. My job as the L-4 Alumni Association's designated "primary member" is to maintain the association's database provided by The Pershing Rifles Group. Kent and I are regularly passing updated member information to one another. Your job is let one of us know if there is a change in your status, and for that, we thank you.

   Fraternally,

   Joe Harris, '68
