NATCON. The Pershing Rifles Group will conduct its NATCON (national convention) from 9 - 12 March in Charlotte, NC. Sandy Pershing, GEN Pershing's granddaughter, is planning to attend. The NATCON headquarters will be located at the Great Wolf Lodge in Concord, NC. Hotel reservation must be made by February 2, 2018. NATIONAL SOCIETY OF PERSHING RIFLES ALUMNI ASSOCIATION. Joining the national society's alumni association has many benefits. Among the most important is your leadership's voice at the national level. Dues are used to assist in the creation of both new PR alumni association chapters and new active PR companies. Annual dues are \$60. To register, click on the JOIN TAB at <http://www.pershingriflesalumni.org/> Please pass this information to your brothers and sisters

L-4 REACTIVATION. Attempts by PR Cadet Colonel Kyle Rable, the national society's expansion officer, to contact the Military Science Department at NC State University have so far been unsuccessful. Cadet Rable has requested alumni assistance in contacting ROTC cadre on the matter. The bottom line, there is no traction to report by the expansion officer on ROTC support for the reactivation of L-4.

The NATCON is an opportunity for invited ROTC cadre to meet and to discuss the value of Pershing Rifles at NC State University.

WWI CENTENNIAL COMMISSION. This web address, <http://worldwar1centennial.org>, provides detailed information on historical celebrations.
