

L-4 ALUMNI ASSOCIATION OF THE Pershing Rifles National Alumni Association

INSTITUTED SEPTEMBER 11, 2010

ORGANIZED OCTOBER 27, 2012

February 27, 2015

Dear Alumnus,

On February 5th it was announced that the Pershing Rifles Group (PRG) Awards Committee had selected President Art Dumont for this year's award of The Honourable Order of General of the Armies John Joseph Pershing. Art Dumont was nominated for his work at Camden Military Academy, Camden, South Carolina, his establishment of a Junior ROTC "Blackjacks" drill unit there, his contributions to the developing L-4 Alumni Association, his actions to reestablish an active L-4 at NC State University, and his lifelong service to community. The presentation and induction ceremony will occur at the annual Pershing Rifles Dinner in conjunction with the 2015 National Convention next month.

On Saturday, February 7th, Art and Jeannie Dumont and Tom Swanson met in Raleigh, NC to visit the D. H. Hill Library for the purpose in sifting through the L-4 archives. They discovered useful information about past company operations, but they were unsuccessful in locating the original L-4 charter. If you have any information pertaining to the whereabouts of the charter, please let me know.

The PRG implemented a new Unit Management System (UMS) on the 11th of this month. The UMS will eventually be of tremendous value to all concerned. You can now enter updated information in your very own profile that will keep you connected to our "mother ship" – the PRG. Here's the new address: <https://www.theprgroup.org/ums/>. Warning – you will likely have to reset your ID and password as this is a new system. The association's social roster is maintained separate from the PRG's database, so you should continue alerting me if you have a change of contact information. Thanks for your help.

The letterhead of the association's stationary now reflects several dates of historical significance. Please take note of the new header and footer on this page, and in closing, I invite you to visit the association's Facebook page for more information on L-4AA's members.

Fraternally,

Joe
