L-4 ALUMNI ASSOCIATION INC MONTHLY SUMMARY

March 23, 2018

WEBSITE UPDATE. Good news, the website is going public on June 1, 2018! This is a significant milestone in your association's ability to inform you of relative news and report on activities; however, it will also create several changes that you must consider. Beyond June 1st, the social roster will no longer be distributed as an attached document. It will be available on the secure page of the website for which a password is required. Only those members with a webmaster issued password will have the ability to access information in the *Members Only* tab. In addition, the monthly summaries will continue to be published and distributed by e-mail through the end of the calendar year, but beginning in January of 2019, the summaries and other Pershing Rifles related reports will be posted on the website.

REUNION NEWS. There's no information to report as of this date, but the Planning Committee is preparing an agenda for a fall reunion. Specific details on the biennial event will follow in the months ahead.

SOCIAL ROSTER. The updated roster is attached. Please continue to send your contact changes to me.
