

# L-4 ALUMNI ASSOCIATION OF THE Pershing Rifles National Alumni Association

INSTITUTED SEPTEMBER 11, 2010

ORGANIZED OCTOBER 27, 2012

April 30, 2015

Dear Alumnus,

**SOCIAL ROSTER.** I have attached another social roster for your records. So many members provided recent changes I felt it necessary to circulate another version of it. Keep those updates coming in to me, and I'll ensure they are incorporated into the master roster.

**FACEBOOK MANAGER.** Your help is always appreciated. Currently I am searching for someone to assume the duty of Facebook (FB) manager. What does this entail? While anyone of us can post comments and pictures to the L-4 Alumni Association (L-4AA) FB page, the administrator or manager is the official point of contact between L-4AA and the Pershing Rifles Group (PRG). He or she is the censor for the L-4AA and ensures that our page complies with the PRG's social media policies. This isn't difficult or time consuming work – maybe an hour per month.

**L-4 REACTIVATION UPDATE.** President Art Dumont reports the following:

- The National Society of Pershing Rifles reports that the L-4 charter issued in 1953 was never revoked when the company became "dark" over a decade ago. The conclusion is that the company's status is inactive till such time as it meets the requirements to reactive. Attempts to recover L-4 paraphernalia are on-going. Searches of the D. H. Hill Library's PR archive and the Department of Military Science have produced no significant results. The charter whereabouts remains a mystery.
- The L-4 Alumni Association Executive Committee has recently approved the president's request to search for a new off campus hard site in anticipation of an L-4 reactivation.
- Collaborating organizations with the L-4 Alumni Association include the NC State University Alumni Center and the General H. Hugh Shelton Leadership Center.

Fraternally,

*Joe*
