

# L-4 ALUMNI ASSOCIATION OF THE Pershing Rifles National Alumni Association

INSTITUTED SEPTEMBER 11, 2010

ORGANIZED OCTOBER 27, 2012

May 29, 2015

Dear Alumnus,

As a reminder, this past February the Pershing Rifles Group (PRG) implemented a new Unit Management System or database. If you would like to stay up to date with the activities of the PRG and receive the national newsletter, enter your profile information using this address: <https://www.theprgroup.org/ums/>. You will likely have to reset your ID and password as this is a fairly new system. The L-4AA's social roster is maintained separately from the PRG's database, so you should continue alerting me if you have a change of contact information.

And speaking of the PRG, the United States World War I Centennial Commission designated the PRG as a "Commemoration Partner." According to Chairman Bill Wagner the PRG has been a participating partner for a year. The PRG has supported centennial commission sponsored events and the commission has reciprocated. The guest speaker for the most recent national convention (NATCON) was a commissioner of the WWI Centennial Commission. The chairman plans to invite commission representatives to the 2016 NATCON in Washington, D.C. and to the 2017 NATCON in Kansas City – the site of the National World War I Museum and Memorial.

A volunteer is needed to assume the managerial duty of the L-4AA's Facebook (FB) page. The FB manager is the official point of contact between L-4AA and the PRG. He or she is the censor for the L-4AA and ensures that our page complies with the PRG's social media policies. Please contact me if you wish to volunteer. This is a worthwhile social networking function. And please "like" us on the below FB address when you have a chance.

If anyone has an interest in an L-4AA Twitter account, please contact me. Thanks.

Fraternally,

*Joe*
