*"I am aware that you have been in contact with the National Commander and seek to re activate L-4. I will begin gouching this to happen and be the one leading the activation process for L-4. I have contacted their ROTC and hoping to receive an email back from them soon. I wanted you to know that the National Staff is dedicated and more motivated than ever to bring life to the expansion process. I am sure that L-4 will be back into the Society when NATCON 2018 rolls back around! Any questions specifically about the process or anything related please do not hesitate to reach out to me via email or phone call! Have a good day and SCOONEY!!!!"*
