PR MEMORIES (formally called Reflections). Many responded to the request for short stories. Record your favorite memories and send them to me. They will be archived. The following quotes are but a sample of what I received since the previous summary.

- *"I came across these photographs in my attic today. This was an event attended by PRs of NC State College in 1953 or 1954 in Charlotte, NC."* - **Chuck Flinner, '54**
- *"As we checked ourselves over we noticed that our spit shines had melted! That was a bummer as we were sure we would lose out because of that."* - **Stuart Hart, '54**
- *"We had registered at the hotel that was the campaign headquarters of Ex-Governor Long's opponent for the U.S. Congressional seat! The hotel staff and manager thought our James Earl Long was ANOTHER political dirty trick by their James Earl Long!"* - **John Hill, '59**
- *"When we won the Douglas trophy for the first time, then won it for the second time."* - **Kent Etheridge, '66**
- *"My wife took the message and asked me if I remembered a guy named Kent Etheridge. I said immediately, "Sure I do." He had a nice Plymouth Barracuda."* - **Charlie Leverett, '69**
