Subject: Monthly Activity Update

Dear Valued Member,

The challenge match for the Congleton—Etheridge Memorial Scholarship Fund was achieved in only one week thanks to the generosity of the membership. But wait, another \$200 challenge has been made! Don't wait, double your gift value today. Mail your check to Darlene Williams, Director of Finance, 1807 Felts Parkway, Fort Mill, SC 29715.

Again, thank you for helping to build this fund that will ensure that deserving L-4 PRs have financial support from the alumni. L4AA is extremely grateful for your gifts and welcomes the opportunity to work with you if you desire to establish an annual pledge to the scholarship fund.

A donation of NC State wristwatches was recently received from Jeep Black. The board of directors agreed to give these watches to the first twelve \$100 donors to the Congleton—Etheridge Memorial Scholarship Fund.

On September 23rd, the National Society Pershing Rifles Alumni Association conducted its quarterly virtual General Membership Meeting (Zoom). I am encouraged by what I listened to and participated in and believe that the national organization is proceeding in a positive direction.

On October 1st, Darlene Williams, Director of Finance, mailed out your invoice for 2021 dues. As you remit for the coming operating year, please consider a gift to the general fund, the scholarship fund, or both.

The executive board is happy to announce that Judy Ramsey, the L4AA Webmaster, was recently presented a certificate of membership as an Honorary PR. Congratulations Judy!

Company news. L-4 will initiate its fall pledge class on October 30th! L-4 commander, Teshawn Jquan Lee, is scheduled to be commissioned into the U.S. Army in December. He will be the first addition to the L-4AA in well over a decade.
