

L-4 Alumni Association Inc Monthly Summary

May 25, 2018

- On June 1, 2018, the long-awaited association website will be available for the members' use. The web address, www.L4AA.org, is not case sensitive. You are strongly encouraged to open the site on or shortly after June 1st and become familiar with its tabs. Use the password prs1969 for the Members Only tab. To access the Social Roster, that is located under the Members Only tab, requires the use of separate password. The information managed on the Social Roster is considered to be private; security of it is a major concern. That password can be received only when requested. To receive this password, write to Judy Ramsey at jfcramsey@gmail.com. She will ask you a security question.
- We owe more than we could ever hope to repay to Webmaster Judy Ramsey. She volunteered to construct the association's public face - the L4AA Inc Website. She wasn't alone in her endeavor. Contributions from members of the Website Committee ensured that the site's development remained on track by providing timely input.
- To be held in conjunction with Homecoming, our biennial reunion is scheduled for Saturday, November 3, 2018. Mark this date on your calendar. It will be held at the Dorothy and Roy Park Alumni Center located on the Centennial Campus at North Carolina State University. - Today is National Poppy Day. The tradition of wearing a poppy dates back to 1920. The red poppy came to symbolize the blood shed by those who fought and those who continue to fight for our country following World War I. Please wear your poppy to remember those who made the ultimate sacrifice and support the future of veterans and their families for generations to come.
- A final remark about the website; it belongs to you. We have endeavored to make it user friendly. If you have comments or suggestions for consideration, share them with us. You can also respond by leaving a message under the Contact tab. Thanks for your help.
