3rd Biennial Reunion

Dorothy and Roy Park Alumni Center

NC State University (Centennial Campus)

Dear Valued Member,

Summer's in full swing and so is planning for our next reunion. Before discussing the reunion, let's consider the H. Hugh Shelton Leadership Center's Golf Invitational. For the past several years members of the association have participated in the golf invitational hosted by General Shelton - an L-4 PR. We have been invited to play in this event again this fall. You will find the details, including registration, by clicking the link at the bottom of the drop down menu from the ABOUT US tab at [www.l4aa.org](http://www.l4aa.org). Our local point of contact for the golf invitational is Charlie Leverett at [ctleverett2@gmail.com](mailto:ctleverett2@gmail.com).

The fall reunion is scheduled on the homecoming weekend. Raleigh, NC, for sure, will be crowded with State football fans, parents of students and of course alumni. Do not delay in registering for it and making your lodging arrangements. All the details are located on our web site, [www.l4aa.org](http://www.l4aa.org). Reach out to Charlie Leverett at [ctleverett2@gmail.com](mailto:ctleverett2@gmail.com) if you have questions.

Reunions are fun events, but there must be some business time too. Our constitution and bylaws are under revision. The proposed changes must come to a vote by the membership. In addition, we must conduct an election. Our activities require officers to manage the association's affairs. If you have an interest in serving on the board's leadership team, please reach out to Vice President Larry Hancock at [lbhancoc@ncsu.edu](mailto:lbhancoc@ncsu.edu).

In closing, I draw your attention to the web site's home page, [www.l4aa.org](http://www.l4aa.org). Webmaster Judy Ramsey recently posted a photograph of the 1971 Marching Sergeants - L-4's crack or fancy drill team. Many of you will remember the PRs in this group picture. We were commanded by Al Deas, kneeling in front of the team. Of the PRs in this picture, three are known to be deceased; two are missing in that we have no contact information on their whereabouts; one member did not wish to remain connected with the members through the alumni association. We want your input for historical purposes. Send your old photographs to our historian! Bo Nowell can be reached at [bonowell@aol.com](mailto:bonowell@aol.com).
